

Assembly Instructions / Folding Screen

1

Screw the four tubes
into the four half spheres.

2

Slide the central part of the visual
(not included) on the central tubes.

3

Slide the left part and the right
part of the visual on the tubes.

4

Screw the four tubes on the first ones.

5

Slide the central part of the visual to the top,
gently tighten.

Pull the lower part of the visual and gently tighten.

6

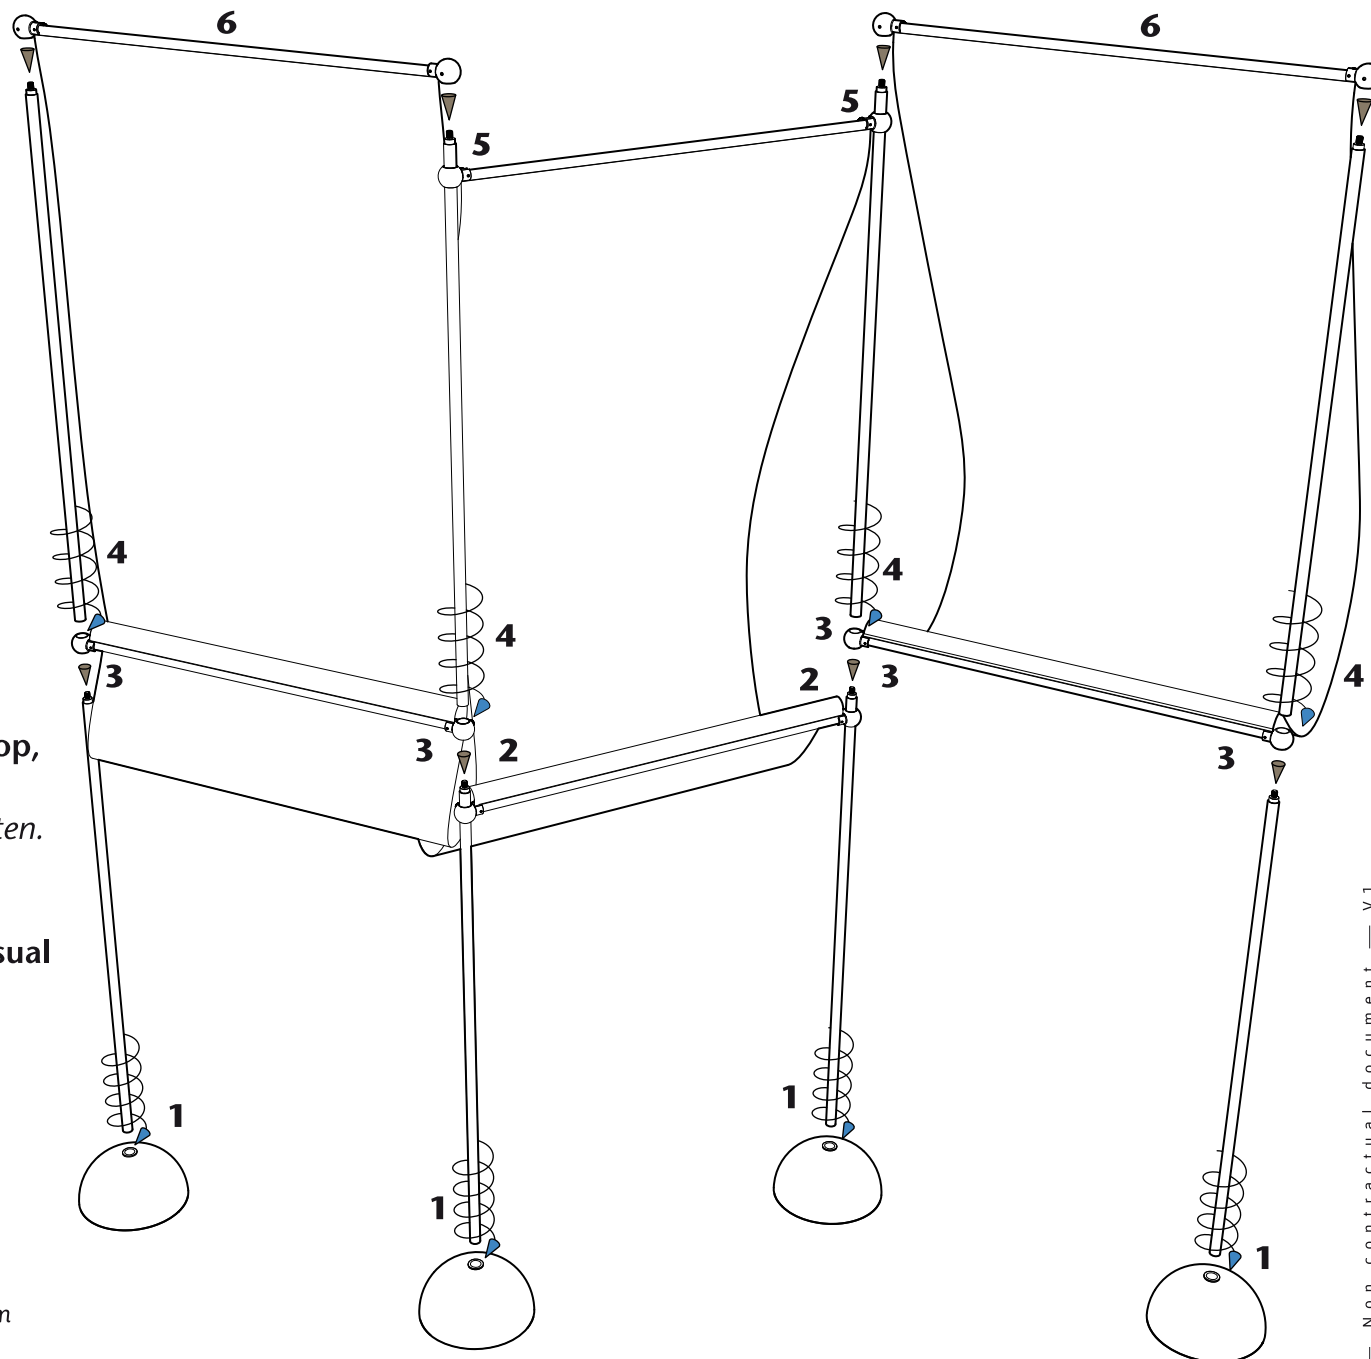

Place the upper left and right part of the visual
on the tubes, gently tighten.

Pull the lower left and right part
of the visual and gently tighten.

If you want the components to be locked,
use the threadlocker sold on www.e-spheria.com
