

Assembly Instructions /Lectern Kit

1

Screw the stabilizer element under the half sphere
with a flat screwdriver.

2

Screw the tube into the half sphere.

3

Slide the sphere $\varnothing 25$ mm with the kit on the tube
at the desired height and oriented as you wish. Gently tighten.

4

Fix the lectern on the tube.

If you want the components to be locked,
use the threadlocker sold on www.e-spheria.com
